EXTENDED HEALTH CARE PLAN

FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2005

AUDITOR'S REPORT

To the Members of the Legislative Assembly of Saskatchewan

I have audited the statement of financial position of the Extended Health Care Plan as at December 31, 2005 and the statements of operations and net assets, and cash flows for the year then ended. The Plan's management is responsible for preparing these financial statements for Treasury Board's approval. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Plan as at December 31, 2005 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

EXTENDED HEALTH CARE PLAN
NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2005

1. Description of the Plan

The Extended Health Care Plan (Plan) was established on October 1, 1996 pursuant to subsection 64(2) of *The Financial Administration Act, 1993*. The Plan provides extended health care benefits to certain unionized employees of the Government of Saskatchewan.

The Plan consists of the Extended Health Care Fund, the Saskatchewan Government and General Employees' Union (PS/GE SGEU) Benefit Plans' Surplus Fund and the Canadian Union of Public Employees', Local 600-3 (CUPE) Benefit Plans' Surplus Fund.

The Public Employees Benefits Agency (PEBA) manages the Plan under direction from the Joint Board of Trustees. The Joint Board of Trustees is made up of equal representation of union members and employers' representatives.

Extended Health Care Fund

The Extended Health Care Fund receives contributions from employers, whose participation in the Plan has been approved by the Lieutenant Governor in Council. The contribution rate is 1.28% of regular pay for PS/GE SGEU and 1.23% of regular pay for CUPE members. The contribution rates are established pursuant to PS/GE SGEU and CUPE collective bargaining agreements with the Government.

The Government through the Minister of Finance entered into an agreement with Group Medical Services (GMS) to provide eligible employees with extended health coverage. The agreement with GMS expired on December 31, 2005. A new 2 year agreement effective January 1, 2006 has been signed with GMS. The Plan pays premiums for eligible employees to GMS as set out in the agreement. The Plan's risk is limited to the payment of these premiums.

The Extended Health Care Plan also receives additional contributions in the form of direct employee contributions from CUPE members under a letter of understanding between the Saskatchewan Public Service Commission and CUPE. Effective December 28, 2003, the employee contribution rates were $11.54 per pay period for members paid biweekly and $25.00 per pay period for members paid monthly. The employee contributions were cancelled effective January 1, 2005 under the new CUPE collective bargaining agreement signed April 7, 2005.

Benefit Plans' Surplus Funds

The PS/GE SGEU Benefit Plans' Surplus Fund and the CUPE Benefit Plans' Surplus Fund (Surplus Funds) were established to meet the terms of the PS/GE SGEU and CUPE collective bargaining agreements with the Government. The Surplus Funds receive contributions from employers whose participation in the Plan has been approved by the Lieutenant Governor in Council. The contribution rates are as follows:

- 0.47% of regular pay of PS/GE SGEU members
- 0.82% of regular pay of CUPE members

On November 30, 2004, the Government and PS/GE SGEU signed a new collective bargaining agreement. The agreement provided for an additional $6,900,000 in employer funding to the PS/GE SGEU Benefit Plans' Surplus Fund. Included in this amount was an estimated $900,000 of employer contributions the Government and PS/GE SGEU decided to divert from the Extended

Health Care Plan for Retired Employees to the PS/GE SGEU Benefit Plans' Surplus Fund. The actual amount received by the PS/GE SGEU Benefit Plans' Surplus Fund from the Extended Health Care Plan for Retired Employees was $1,013,682.

On April 7, 2005 the Government and CUPE signed a new collective bargaining agreement resulting in an additional $748,070 in employer contributions to the CUPE Benefit Plans' Surplus Fund.

Effective April 1, 2005, Saskatchewan Property Management (SPM) employees (formerly Saskatchewan Property Management Corporation) were included under the Extended Health Care Plan and SPM transferred in the balance from the SPMC Health Care Plan for PS/GE SGEU employees. This resulted in additional contributions of $264,100 to the PS/GE SGEU Benefit Plans' Surplus Fund.

The purpose of the Surplus Funds is to offset cost increases arising from extended health care benefits and future dental plan enhancements. Enhanced dental benefits are provided to PS/GE SGEU and CUPE members through the Public Employees Dental Fund (PEDF). The Joint Board of Trustees must approve the use of the net assets of the Surplus Funds.

During the year, the Joint Board of Trustees authorized PEBA to transfer adequate resources from the Surplus Funds to the Extended Health Care Fund in order to provide extended health care benefits over the term of the contract with GMS. Accordingly, PEBA transferred to the Extended Health Care Fund $5,195,000 (2004 - $4,384,000) and $314,735 (2004 - $104,000) from the PS/GE SGEU Benefit Plans' Surplus Fund and CUPE Benefit Plans' Surplus Fund respectively.

The Joint Board of Trustees also authorized PEBA to transfer adequate resources from the CUPE Benefit Plans' Surplus Fund to the PEDF in order to provide enhanced dental benefits to participating CUPE members to December 31, 2005. In 2005, PEBA transferred $20,071 (2004 - $32,056) from the CUPE Benefit Plans' Surplus Fund to the PEDF.

2. Significant Accounting Policies

These financial statements are prepared in accordance with Canadian generally accepted accounting principles.

3. Due from General Revenue Fund

The monies of the Extended Health Care Fund and Benefit Plans' Surplus Funds are co-mingled in one bank account. The Plan's bank account is included in the Consolidated Offset Bank Concentration arrangement for the Government of Saskatchewan. The Plan's bank account balance is recorded as due from General Revenue Fund to the Benefit Plans' Surplus Funds and to the Extended Health Care Fund separately on the Statement of Financial Position.

The Plan's earned interest is calculated and paid by the General Revenue Fund on a quarterly basis into the Plan's bank account using the Government's thirty day borrowing rate, and the Plan's average daily bank account balance. The Government's average thirty day borrowing rate in 2005 was 2.57% (2004 – 2.20%).

4. Advance from General Revenue Fund

The General Revenue Fund advanced the Plan monies when the Plan began operations. The advance is required because the Plan must pay premiums at the beginning of each month and employer contributions are not received until after the end of each month.
The advance is interest-free with no fixed maturity date.

5. Financial Instruments

The Plan's financial instruments include contributions receivable, accounts payable and advance from General Revenue Fund. Due to the immediate or short-term nature of these items, the fair value of these instruments approximates carrying value.

6. Related Party Transactions

Included in these financial statements are transactions with various Saskatchewan Crown corporations, departments, agencies, boards and commissions related to the Plan by virtue of common control or significant influence by the Government of Saskatchewan (collectively referred to as "related parties"). Related party transactions with the Plan are in the normal course of operations and are recorded at the agreed upon exchange amounts charged by these organizations.

All employer contributions, other contributions, and employer contributions receivable are from related parties. Also, in 2005, PEBA charged the Plan $106,723 (2004 - $77,500) for administration expenses. Included in accounts payable is $19,231 (2004 – $11,825) due to PEBA.

Other transactions with related parties and amounts due to/from them are described separately in the financial statements and notes thereto.

7. Budget

PEBA prepares the budget for approval by the Joint Board of Trustees.

8. Comparative Figures

Certain of the 2004 balances have been reclassified to conform with the current year's presentation.
